

The Daytones

The Daytones are the latest group to be formed under the Campbelltown-Camden District Band Incorporated banner. This group provides an opportunity for those musicians who wish to rehearse and perform in a day-time group.

The Daytones regularly perform at Seniors concerts, local schools, shopping centres, retirement villages and throughout the local community.

Marching Band

The high profile marching band is regularly involved in community events, street fairs, parades and ceremonies throughout the Macarthur region. The marching band consists of players from both the wind ensemble and training groups offering a variety of performance styles, as well as new skills and music ability.

We are a community band dedicated to "Serving the community in music" for over 60 years. Funds are raised from a number of sources including the general public, sponsorship, grants and performances.

Should you like to assist and become a "Sponsor of the Band", please contact our secretary.
